## Receptions

The handsome new home of Mr. and Mrs. Albert Mathias, of West Yuleta, was a scene of brilliant celebration on Tuesday evening, when they were "at home" to their friends. On this occasion their two charming daughters, Misses Eleanor and Hedwig Mathias, made their formal debut into El Paso society, after several years spent abroad. The home was elaborately decorated in smilax and flowers, pink and white roses and chrysanthemums with palms used in profusion. The stairway was a bower, with the smilax and flowers entwined to make it so. Through the house, which was thrown into one spacious room, were bouquets of the pink roses and chrysanthemums.

Receiving the guests were Mr. and Mrs. Albert Mathias, Misses Eleanor and Hedwig Mathias, assisted by Mr. and Mrs. David Cohen, brother and sister-in-law of Mrs. Mathias. Mrs. Mathias wore a handsome gown of black chiffon, over real lace, veiled. She also wore diamonds.

Miss Eleanor Mathias, eldest daughter, was beautiful in a Parisian gown of white chrysanthemum, veiled in white spangles. Miss Mathias carried American beauties and white chrysanthemums.

Miss Hedwig Mathias, second daughter, was charming in a Parisian gown of pink chrysanthemum, veiled in pink spangles. Miss Hedwig carried pink roses.

Mrs. David Cohen's elaborate gown was a light blue chrysanthemum, veiled in light blue chiffon, over real lace, veiled. A darker shade of blue, Cohen wore diamonds.

Miss Edna Mathias, younger daughter of Mr. and Mrs. Mathias, wore a beautiful gown of blue chrysanthemum, veiled in blue chiffon.

An orchestra furnished music for the dancing and during the entire evening. The grand march was led by Miss Eleanor Mathias and Sidney Gilman. Misses Hedwig Mathias and Lawrence Gilman.

Several tables of bridge were scattered through the house and two prizes awarded the players. Mrs. May Moore won the first prize, an embroidered sofa cushion. Mrs. A. B. Goldstein won the second, a sandwich tray.

At midnight a delicious two course luncheon was served. The intimate friends of the host and hostess were seated with them at a long table, which held a large basket filled with pink chrysanthemums, with a large bowl of pink tulle. Smilax was scattered over the table and the scheme of pink and green was carried out in the refreshments.

The small tables were similarly decorated. Souvenirs of novelty paper were presented to each guest, of whom there were about 100.

## A Hat and Muff Set

One of the prettiest of the velvet muffs sketched here, accompanied by a hat of the same material. The effect of the small but brilliantly natural flowers against the black velvet is especially attractive and becoming.

The round crown of the hat is covered with the velvet, gathered around. The soft, falling brim is wired at the edge only, a heavy gold wire being used. The only trimming is a band of sable fur, close to the crown, and a bunch of small roses, brilliant pink of different shades, with foliage, is pinned to the side.

The muff is gathered simply at the ends and trimmed as shown with fur and flowers.

## LEAPS TO DEATH FROM HIGH BRIDGE

Is Alleged to Have Been Fugitive From Arkansas; Many Petty Thefts From Stores at Clovis.

Clovis, N. M., Oct. 30.—A man who was thought at the time to be demented, leaped from train No. 113 as it was crossing the high bridge just west of the Sals crusher, south of Clovis, and was killed on the rocks in the river bed. It is now claimed the man was endeavoring to escape being punished for an alleged murder committed two years ago. The man's name, it is claimed, was Frank Smith, and that he was formerly a resident of Crawford county, Ark. Smith and a man by the name of Ritchey, it is alleged, quarreled over Smith's daughter and Ritchey was found with his throat cut. Smith was charged with the crime, but managed to evade the officers and purchased a ticket for Los Angeles.

Petty thefts from Clovis stores continue, but as yet the merchants that have suffered have not been able to locate the one committing the crimes. Thieves entered the Clovis Hardware store again, but whether they got away with anything remains to be found out. The Skidmore Drug company cash register was robbed of about \$5, and the next day the clerk's eyeglasses chain disappeared and several other articles around about this store and several other stores have disappeared.

There are a good many land transactions taking place here. Some of the old farms in and around Clovis have changed hands in the last week.

The Lubbock cutoff will be completed by the first of the year and will help this place considerably and increase the payroll at the railroad shops and bring more people to Clovis, it is believed.

MRS. CLEVELAND TO WED T. J. PRESTON

Bride To Be Is a Trustee of Wells College, Where Professor Preston Holds Chair of Archaeology.

Princeton, N. J., Oct. 30.—Mrs. Grover Cleveland authorizes the announcement of her engagement to Thomas Joseph Preston, professor of archaeology and history of arts at Wells college. The date of the marriage is not yet determined, but will be announced later.

Mrs. Cleveland is a graduate of Wells college and has been a trustee of that institution since 1887. Her wedding to president Grover Cleveland, which took place in the summer of 1886, was one of the most notable events in the history of the white house. Her father, Oscar Folson, was a law partner of Mr. Cleveland, who, upon Mr. Folson's death in 1876, became Francis Folson's guardian.

After his retirement from the presidency, Mr. Cleveland made his permanent home here. Mrs. Cleveland has continued to reside here since the former president's death in 1908. Her two daughters, Esther and Marion, and her son, Richard F., are living with her here.

The announcement of the engagement was made by president Filbin, of Princeton university, who said: "Professor Preston is 59 years of age. He is a graduate of Princeton and one whom we hold in very high esteem. Professor Preston was exceedingly popular and made many friends while at Princeton. He was subsequently appointed fellow of the American school of Classical Study at Rome and later won in a competition open to all uni-
